Self Study Committee has met twice since our last report – January 9 and February 6.

The Higher Learning Commission has given us our Comprehensive Visit Dates – April 18 – 20, 2011. These dates were our first choice.

A timeline was developed for the next 796+ days and is attached.

*Tuesday Tidbits* were started. These brief weekly notices are sent to all users via e-mail and cover the different topics and concerns of the Higher Learning Commission, the Self Study Team and the issues surrounding a Comprehensive Visit. Any ideas, questions or topics will be cheerfully considered.

The Self Study Team has established committees to work on the different writing components of the Self Study. The committees and their chairs are:

Vice Chancellor Schmid will be a consultant to this committee.
