What's new?

Since last week the only new things that are happening are happening in a display case near you! Each and every display case needs to have its very own HLC tchotchke. I still have a nice assortment of "stuff" available for your perusal if your display case is lacking in decoration. (Check out the case near the Information Desk for inspiration.)

What else should I be doing about the HLC visit?

Use this web site for reflection and consideration.

You might also try this website prepared by Dave Pratt for numeric reminders:

Anything new from the Team Chair?

Not yet. I will probably contact him within the next week to discuss such items as ... regular or decaf? laptop or desktop? Etc. At that time I will also ask him about open meetings. The weekend of April 8-11 is the Annual HLC meeting in Chicago. Dr. Crall – the Team Chair is going to be there. We will meet with him and discuss any last minute issues.

That's It?!?! A ONE page Tidbit?

Yep. Was bound to happen sooner or later.

Nineteen is the day count, as easy as pie
That's when they get here and we all say HI!!

Tuesday Tidbits is a way to provide information about the upcoming accreditation visit by the Higher Learning Commission to the Purdue North Central Campus. Since the visiting team is interested in ALL aspects of the campus and its operation, this is being sent to ALL employees. If you have any questions about the accreditation process, or ideas for future Tidbits, please let me know. Thanks!

Director of Accreditation and Assessment
