***Silence Means Consent (Third Time's a Charm!)***

***More documents to read. Now what?***

Today you are being given the opportunity to read and comment on a number of documents:

**Criterion Two Preparing for the Future**

*PNC's allocation of resources and its processes for evaluation and planning demonstrate its capacity to fulfill its mission, improve the quality of its education, and respond to future challenges and opportunities.*

**Change Request Chapter – Bachelors level to Masters level**

**Change Request Chapter – Offer On line Degrees**

(And a sincere promise to give a Tidbit update on Wednesday with the Challenge Chapter.)

***So, what do you want me to do about all this?***

Read them. Please read the chapters with this information in mind ...

Read for CONTENT – not for typos

Read to see what we left out that should be there!

Read to see what's in there that should be taken out! (errors in fact etc.)

You will find areas where questions are being asked for additional information or dates. If you have that type of information please let me know. I need to add that as soon as possible.

***What comes next? Isn't this going to a consultant in October?  
(Doesn't October start Friday?)***

The best draft we have of the document will head to the consultant – Dr. Timothy Schibik at the University of Southern Indiana - in the first week of October.

***Now what do you want us to do?***

Keep your reading glasses handy and enjoy our best efforts! Sit back and judge the work from the reader's point of view. We really need as many people as possible to read over this material.

Also, a BIG thanks to all of you that sent corrections on the material from last two weeks! If you are still reading and find something, please send it along to me. Just because I have some of the corrections doesn't mean I have ALL of them!

***When is our visit?***

201 days from today – September 28, 2010. The HLC Team arrives on April 18, 2011.

*HLC's for everyone!*

*And they are coming in 2-0-1*

*Tuesday Tidbits* is a way to provide information about the upcoming accreditation visit by the Higher Learning Commission to the Purdue North Central Campus. Since the visiting team is interested in ALL aspects of the campus and its operation, this is being sent to all employees. If you have any questions about the accreditation process, or ideas for future Tidbits, please let me know. Thanks!
