- The Transfer Credit Equivalency is for reference use only. The equivalencies listed are the most current articulations established and are subject to change. Official transfer credit evaluation is established by the academic departments and processed through the Office of Admissions.
- If a course is not listed on this report, this does not mean that the course will not be accepted, it simply means that this course is not in our database.
- Credit will transfer for admissions purposes if the earned grade is C or above. How a credit(s) applies to a degree program will be determined by the academic department.
- UND: On some reports the Course Number is "UND", which stands for Undistributed. This means that there is no equivalent course currently established at Purdue North Central. The credit will transfer for admissions purposes if the earned grade is C or above. How a credit(s) applies to a degree program will be determined by the academic department.
