# **PNC ASSESSMENT FESTIVAL**

Thursday 1/8/09  
11:30 a.m. - 1:00 p.m.  
LSF 144

It's time for a PNC Assessment Festival! This is an opportunity for degree programs and departments to share their efforts in the area of program assessment. A chili luncheon will be provided as part of this exciting event!

We welcome any and all programs to showcase assessment efforts or assessment plans. The idea is not to create new assessment artifacts but to showcase existing artifacts your department or program may already be using or planning to use for assessment. Please submit materials that you would like to share at this event to Dave Pratt (Assessment Committee Chair) at [dpratt@pnc.edu](mailto:dpratt@pnc.edu) or send to the Education Office Room TECH 206 by November 30<sup>th</sup>. Consider submitting any of the following:

- Samples of Student Learning Outcomes (objectives for program)
- Data collected regarding program objectives
- Any forms, policies, procedures for programs
- Charts or reports presenting data
- Any artifact displaying use of data for change (change table)
- Plans for future assessment – timelines, etc.
- Pre-Test/ Post Tests
- Capstone Projects- Portfolios, simulations, etc.
- Surveys used with graduates, employers, current students, faculty and/or staff

The success of this event depends on YOU! Please decide as a department or program what you can contribute so that we can share and learn from each other!
