Membership Benefits

Clearly, the most important benefit of your membership in the Panther Club is the satisfaction you receive from supporting the PNC student athletes and helping the program grow.

Tax Information

All gifts to the Panther club are considered gifts to Purdue North Central and are credited at full value for purposes of the donors' giving record to the University.

While gifts are tax-deductible, the Panther club will calculate the fair-market value of the benefits accompanying each level of giving. Each year, you will receive a description of benefits and their values. Your tax deduction may be reduced by the value of these benefits.

More scholarships would
attract good athletes.”***
