This plan of study is specifically designed for Purdue University-North Central students preparing to apply for admission to the Doctor of Pharmacy program at Purdue University College of Pharmacy for **Fall 2012 and thereafter**. Additional information about the College and professional program admissions is located at www.pharmacy.purdue.edu.

Before applying for admission to Purdue University College of Pharmacy, you should contact the Office of Student Services, (765) 496-6885, phrm-oss@purdue.edu, for current and accurate information. You must use the Pharmacy College Application Service (PharmCAS, www.pharmacas.org) to make application. Purdue does not require the Pharmacy College Admission Test (PCAT).

This document has been prepared with the assistance of Mr. J.C. White, Academic Advisor, Science, Purdue University North Central, 219-785-5582, jcwhite@pnc.edu.

The information contained in this document is subject to change as a result of action by federal and/or state governments, the trustees of Purdue University, the administration of Purdue University and the faculty of the College of Pharmacy.
