

North Central

The Purdue North Central Alumni Association and Grad Flowers are partnering to bring you top-quality flowers at the Purdue University North Central Commencement on May 19, 2008, at the Valparaiso University Athletic Recreation Center.

You are now able to provide the perfect gift for that special someone on his or her graduation day. High quality fresh-cut flowers will be available for purchase from guests, and also to graduates for their families.

Grad Flowers knows exactly what types of flowers to bring for your convenience. The flower kiosk, sponsored by the PNC Alumni Association, will be sold outside the main entrance until the end of the commencement ceremony. Please take a look at the prices below and feel free to compare them to your local florist. Prices will be as follow:
