MA 223	3	MA 224	3
ENGL 101	3	ENGL 102	3
COM 114	3	ECON 210	3
16 hours		16 hours	

Purdue University North Central does not grant a degree in Agricultural, however, students may take the first year of most Agricultural programs here. This program is a transfer program which is completed at the West Lafayette campus. Students must seek additional admissions to the West Lafayette campus and meet all College of Agricultural requirements for admittance.

Additionally, this general plan of study does not fulfill all College of Agriculture first year curriculums. Check with your Academic Advisor for specifics. It is the student's responsibility to maintain the plan of study, if not maintained his/ her anticipated graduation could be delayed.

For information on your chosen program specifics, please contact Ms. Alexandria Densmore, Academic Advisor, Biology/ Chemistry, Purdue North Central, 219-785-5582, adensmore@pnc.edu.

Fields of study include (not complete): Agribusiness, Agricultural Economics, Animal Science, Applied Meteorology, Entomology, Forestry, Horticultural, Turf Science and Wildlife
