IV. Old Business:

- c. **Share Fest** – Steve and Betty were in Portage and worked on the home of an elderly woman. Steve reported there was a huge turnout in Portage for the blood drive as well as the work.
Jenny reported that she participated with her church at the VNA in Valparaiso doing landscaping work. She said that the blood drive in Valparaiso also had a good turnout.
- d. **Updating Website** – Allana was not present with the information on the school's guidelines. John is still willing to work on this.
- e. **Meeting Questionnaire** – There was a discussion on how to get people to attend and become involved. A possibility that was brought up was to contact the National Office to see if they have any suggestions.

V. New Business:

- a. **Elections** – Elections were postponed again because no one was willing to run for any of the offices.
- b. **Barnes & Noble Gift Wrapping** – There were no weekend dates available for us. We have signed up for Wednesday, December 17, 2008. A schedule was passed around for those in attendance that would be able to volunteer.

- c. Community Service Project** – John brought literature from St. Anthony's. There are several projects available. Most of the programs do not need medical training. John mentioned though if it is a program that does need training; they would prefer someone who would be available on a continuing basis.

VI. Announcements:

Kori mentioned that she had been thinking about the Christmas tree decorating contest on the way to the meeting. In the past, we have always gone with a theme that allowed us to donate the “decorations” to Dunebrook Family Center in Michigan City. Kori's idea was to do a “game tree” with games that are interactive with other people. Barb will check with Allana tomorrow to make sure that we have a tree this year.

VII. Adjournment:

Barb adjourned the meeting at 8:05.

Respectfully submitted,

Barbara Clouse
