If you have chosen a major and will be staying or attending PNC then do the following:

Go to the PNC website, find your major, and look up the 4 year plan of study. Is this what you want?

Would these classes/subjects be interesting to you?

If you are unsure of the content of certain classes, look up their description in the online catalogue.

If you are in doubt about the course of study then begin searching for a better fit.

If PNC does not offer the major then what are you planning to do? If you plan on transferring to another school, do you know how to do this and what is required?
