

Registration Policies

Advance Registration

Approximately midway through each semester, opportunity is provided to register for the following semester. Advance registration eliminates standing in line and assures preferential scheduling. Advanced registered students are billed for fees and may pay fees by mail or in person. New students will be informed by the Admissions Office of registration times. Every effort should be made to register at these times. The first week of the advance registration period is reserved for students who are fully admitted to the academic program.

Delayed (Regular) Registration

For students unable to participate in the advance registration process, a registration period is held just prior to the beginning of classes. Consult the current semester schedule for dates and times or contact the Registrar's Office.

Late Registration

The late registration period for the fall and spring semesters ends on Friday of the first week of classes. In the summer session, the late registration period ends on Wednesday of the first week of classes. Registration during this period will incur a late registration fee.
